

Town of Millis – DPW
Hydrant Flushing

Hydrant Flushing will take place on Monday, November 14, 2022 at 9:00 PM.

Areas affected are Ross Avenue, Main Street, Adams Street, Milliston Road and the Quail Hill Condos.

During hydrant flushing you may notice a slight discoloration of your water. This is temporary and poses no health risk. Simply run your water, preferably from an outside spigot, for a short period of time until it clears up. Do NOT do laundry until you are sure your water is clear. If the discoloration persists, contact the Millis DPW: 508-376-5424.
